

Connect One Training

connect a student to a family and friend

HIT (Hospitality International Team) - our ministry to international students is growing and we need more people to be involved in this exciting area.

WE NEED 100 FAMILY AND FRIENDS TO COME ON BOARD IN 2010
to help the students feel welcome and at home.

Our Training Day this year will help you understand more about this ministry role and give you confidence in stepping out in a new area. Put this date in your diary now, complete the form below, hand in at the Help Desk, and we'll see you at KBC on 6 February.

Saturday, 6 February
9am to 12 noon at KBC

Connecting -

- * After you've done the training, you then get an opportunity to connect with the students at HIT (Taste of Australia) at Gold Creek Road, Brookfield - Saturday, 27 February - 12noon to 3pm.

Once the connection is made -

- * Get to know them, their culture and country they come from
- * Show them the Aussie way of life
- * Invite them home for meals
- * Invite them to social and church activities
- * Invite them to Taste of Australia events

✂ For further information contact the Church Office on 3378 3595.
